When the world starts to get you down
 And nothing seems to go your way
 And the noise of the maddening crowd
 Makes you feel like you're going to go insane

There's a glow of a distant light
 Calling you to come outside
 To feel the wind on your face and your skin
 And it's here I begin my story

Turn up the radio
 Turn up the radio
 Don't ask me where I wanna go
 We gotta turn up the radio

It was time that I opened my eyes
 I'm leaving the past behind
 Nothing's ever what it seems
 Including this time and this crazy scene

I'm stuck like a moth to a flame
 I'm so tired of playing this game
 I don't know how I got to this state
 Let me out of my cage cause I'm dying

Turn up the radio
 Turn up the radio
 Don't ask me where I wanna go
 We gotta turn up the radio

Turn up the radio
 Turn up the radio
 Don't ask me where I wanna go
 We gotta turn up the radio

I just wanna get in my car
 I wanna go fast and I gotta go far
 Don't ask me to explain how I feel
 'Cause I don't want to say where I'm going
